

## **CARDIOPULMONARY RESUSCITATION (CPR) CERTIFICATION CLASSES**

Los Angeles County Department of Health Services recognizes the need for all Los Angeles County employees to be educated and certified in Cardiopulmonary Resuscitation. All licensed medical personnel should be re-certified annually or bi-annually (dependent on facility requirements). Certification in Adult and Child CPR is required for all licensed hospital staff. Classes are offered free to Los Angeles County employees at the various County hospitals. Different classes are scheduled for licensed medical personnel and non-licensed or non-medical personnel. Please call the facility most convenient to you for further information and to schedule a class.

### **HARBOR-UCLA MEDICAL CENTER**

Basic Life Saver classes are given on Tuesdays for licensed staff and Wednesdays for unlicensed staff. Participants must pick up reading material prior to the class and be prepared to take the written examination scheduled for that date.

**Classes are free for Harbor employees and Department of Health Services employees.** Outside employees and Department of Mental Health employees are required to pay a fee of \$35 + \$11 for the Heartsaver book, (check or money order only, no cash). Call (310) 222-3406 as early as possible to register for classes.

### **MARTIN LUTHER KING / AUGUSTUS HAWKINS MEDICAL CENTER**

Classes are scheduled from 8:30 a.m. – 1:00 p.m. on the last Thursday of each month, and are **free to Los Angeles County personnel.** Reading material is loaned to Los Angeles County personnel, but must be purchased for \$12 if damaged. **Classes are not being offered to non-County participants at this time.** Please call (310) 668-3617 to register for class.

### **LAC- USC MEDICAL CENTER**

**Basic Life Support Classes require a \$15 cash deposit for the reading material, which is refunded when the material is returned.** Participants must read the material; then, take a written examination prior to making an appointment for the class. Applicants with valid certification cards will be granted a free renewal. However, those applicants who have expired certification cards, shall participate in a first-time certification class and pay a \$30 fee. Registered, contracted employees who have an employee number beginning with 900 and do not work full time, are considered to be County employees and will be required to pay \$15 (50% of the regular fee of \$30). Classes for **licensed medical personnel** are given on a different date each month from 7:30 a.m. – 9:30 am and from 12:30 p.m. to 2:30 p.m.

**Heartsaver classes** are given once a month on a varied schedule for **non-licensed or non-medical personnel** from 7:00 a.m. to 10:30 a.m. or 12:00 p.m. to 3:30 p.m. (choose a.m. or p.m. classes). **Heartsaver classes are not open to non-county employees.** Please call (323) 226-6511 to register for class.

### **OLIVE VIEW / VALLEY CARE MEDICAL CENTER**

Classes are given three times per month. A 3-hour class will be offered to participants with a valid CPR card, and a 4-hour class will be offered to participants with an expired CPR card. **There is a \$15 deposit for the reading material, which is refunded when the material is returned.** Participants must read the material and be prepared to take the written examination on the scheduled date.

**Free to Los Angeles County personnel.** A fee of \$60 is charged to all other class participants. Call (818) 364-3366 to inquire about available class dates and registration procedures. Applicants will also be required to complete an application in order to register for a class. Instructions and information necessary to send the application will also be provided by phone.
